Being a good girl is such hard work. You have to be sweet and soft and polite to everybody. That's why I leave that side of me outside the bedroom. Who wants to be nice when you're riding a big cock. I'd rather get spanked hard and scream to my hearts desire. Wouldn't you?

NEIGHBORHOOD WATCH

Hi there Sunny Leone fans, and we know that there are a lot of you – Leone's Legions, as we call you. Many have requested more photos of this stunning Canadian – Indian beauty. Her beautiful good looks and smoking hot body make her a fan favorite. We're just happy that she's decided to get naked and show off the stuff we all want to see. Let's hope we can get more great photos of her – ED.

For decades, our neighborhood has used a unique watch program where each of us takes turns as watch for the night. We like knowing that someone we know is out there each night keeping an eye on things, and our neighborhood has been safe as long as I've known it. Most nights are uneventful, and I've never had to do anything other than keep myself awake for as long as I've been a part of the watch.

That changed the other night when I caught a couple of young women walking along one of the side streets. I greeted them and asked what they were doing, friendly and curious. They told me they were lost. I offered directions, but it was clear pretty quickly that they were too drunk to remember what I told them. So, I offered them a ride, which they readily accepted.

We all got lined up on the bench seat in my truck and I headed toward the highway to get them back home, when right next to me, they started making out with one another.

I almost crashed my truck as I did a double and triple take trying to figure out what I had just seen. I tried to gather my composure and pretend like I didn't see anything, but they looked back at me with seductive smiles and knew that I saw. They weren't apologetic, and in fact, they dove back into each other's mouths more loudly and obviously. I tried to lean away from them, just get them home and then they could do whatever they wanted. That didn't last

long once I realized they wanted me.

At a light, they spotted me looking back at them again and the one in the middle smiled. Before I knew it, her hand was tracing up my leg and found my dick that had grown rock hard in spite of myself.

"Look, he does like it," she told her friend, rubbing my meat against my leg.

I used the excuse of the light changing to brush her aside, but it was like a magnet. The moment I got up to speed, she was back at my leg, tracing up and this time, going around my bulge toward the button on my pants, which only made the bulge throb.

It didn't take her long to release my pants and within seconds, my dick was sticking straight up at the steering wheel. At that point, I finally realized I wasn't going to be able to ignore this anymore and I tried to pull away as best I could. Instead, just as I got her to release her grip, her friend leaned across the seat and swallowed my cock whole.

I finally pulled over, using every focus I could to get to a stop before I looked over at the drunk women who were smiling up at me wickedly. "This is how y'all want to play it?" I asked them as I leaned against the door, giving them the access they clearly wanted.

That was all they needed. They practically crawled over each other to find a way to each take my cock deep in their throats. They passed it back and forth between them, one ending up on the seat with the other on the floor of my truck. I ran my hand through their hair, both of them with soft brunette curls. I leaned back and let them work, guiding the one on the bench towards my dick and the other toward my heavy balls.

Despite how drunk they were, the women knew what they were doing and what they wanted. My pants were off, and it didn't take them long to unbutton my shirt and let their long fingers trace across my hairy chest. Their mouths were wet and hungry, more devouring than just servicing me. The one on the bench moved toward my chest, licking her way up to my mouth while her friend continued blowing me. They worked like a team, passing me between them, even in the small confines of my truck.

The women finally got me laying down across the bench as one of them moved over the top of me, my throbbing dick teasing freely up her skirt. She rubbed against it, making it clear she wasn't wearing anything underneath, and eventually slid down on my thick rod with a loud moan. She allowed all of her weight to slide down slowly before leaning back, pulling back her skirt in the process. I only then realized that she had taken me into her ass, tighter, firmer, and with total control.

She screamed freely as her friend pulled off her shirt to play with her heavy, rounded boobs, all while riding me with a ferocious fearlessness. Each time my dick throbbed, she seemed to squeeze it tighter, driving me closer. It didn't take long for me to shoot deep inside her. When she pulled off, her friend quickly took my dick in her mouth, cleaning me off before doing the same to her friend's ass. I got myself dressed and drove them the rest of the way home, amazed that they were still making out with each other, passing my cum between them even as they exited the truck.

Something tells me it may be a while be-

fore I have another watch night like that.

– Rogers S., Charleston, SC

The Farmer's Daughter

Everyone knew the stories about Farmer Willis and his daughter, Sylvia. The farmer had 5 sons, and all of them were fiercely protective of Sylvia, openly declaring that she would remain pure until marriage, and that only a man approved by all of them could ever be worthy of her. Whenever she was out, she was always accompanied by one of her brothers and Willis chaperoned all her dances.

That didn't stop the whispers, and by the time we all graduated high school, rumors floated around that Sylvia was one of the loosest girls in town. Most of the boys understood it, even if none of them were willing to admit out of fear of her brothers.

In some ways, the danger made it more fun.

My own encounter with Sylvie was about a year after graduation. She and her family came by the restaurant where I was a server. The family was pleasant enough, really nothing out of the ordinary with any part of dinner. It got strange when Sylvie asked to be directed to the bathroom, insisting that I lead the way since she was "useless with directions," or so she told me.

Dear editor,

She's magic. Sunny (Leone) is one heck of a piece of serious eye candy. Rarely have I seen a girl walking down the street, or at the mall, or even at a fashion show as dazzling as she is.

I'm writing to give you guys kudos for her hot pictorial. Man she is the bomb. I've seen Sunny in pornos, but rarely in a magazine. And she is fresh.

She's such a cutie. Where'd you guys find those photos of her? How did you do it? Those boobs of hers are perfect. She is more like a lion than a lamb, and she can growl at me anytime.

I shrugged it off and led the way back to the restroom when she looked over my shoulder, quickly grabbed my shirt, and shoved me into the ladies room ahead of her and bolting the door shut behind in a fluid movement of someone who knew exactly what they were doing.

I looked around with wide eyes, unable to really understand even as she pushed me back against the wall, locking lips with a tantalizing smile. She reached down and grabbed my crotch, rubbing my already hardening meat. Once it was solid as a rock and bursting to get out of my pants, she pulled back and jumped up on the sink, spreading her legs for me to see that she clearly wasn't wearing anything under her dress.

By then I had heard enough of the rumors to believe there was probably some truth to them, but I had no idea the extent of how promiscuous and horny she really was. I think I asked something about her family and her response was something along the lines that I'd better hurry if I didn't want them to get suspicious.

I had to agree with her, so I quickly freed my dick and gave it a few tugs before crossing the room and putting my arms around her. I let our eyes meet and paused to be sure if this was what she wanted, or maybe because I needed to be sure myself. She answered me by grabbing my ass and pulling me close, my dick with nowhere to go but deep inside the most forbidden girl in town.

It wasn't my first time, but Sylvie was the most aggressive girl I'd been with by far to that point. The shock of her just taking me like that almost sent me over the edge right there. I'm glad I didn't because the way she grinded against me while on the sink sent me into an ecstasy I can still imagine. It was like her vagina was dying of thirst, desperate for my cock. Each time I pulled out, it drew me back in, deeper,

harder, like it didn't want to let me go.

She pulled me close and made out with me, moaning and begging me to go harder and deeper. In seconds, I was drenched and sloppily ripping off my shirt to reveal my tight chest. She grabbed my nipples and played with them, squeezing and twisting them both as a way to drive me even harder.

I had to bury my face in Sylvie's shoulder to keep myself from screaming. I lifted her off the sink and pressed her against the wall to give myself more leverage and power, which only increased her moans and forced me to go faster. She bounced on my cock, squeezing it, demanding it, and finally, I couldn't resist any longer. I released several long streams deep inside as she let out one last scream that made me wince. She gave me a long kiss and, after straightening herself up, told me I'd see her around.

She and her family became regulars at the restaurant, and while she didn't have to ask where the bathroom was anymore, the signal soon became very clear. She wanted me every time she was there, and eventually was able to convince me that the rumors had been there all along just to get me. That was several years ago, and whether true or not, I know that I will always have the most amazing sex life with the farmer's daughter, the woman I just married.

— Jesse D., St. Lincoln, NE

She has a rockin' bod and looks like she just loves sex. And man, what a great face. She looks like she would eat me up alive.

Man, I came twice just looking at those photos. You got any more of them? If you're counting votes, count me in. For whatever you're voting on.

When's the next issue with her coming out?

— Al S., Miami, FL

Hey Al, we don't have her penned into the next three issues, but who knows after that. There's another great pictorial of her waiting in the wings. — ED.

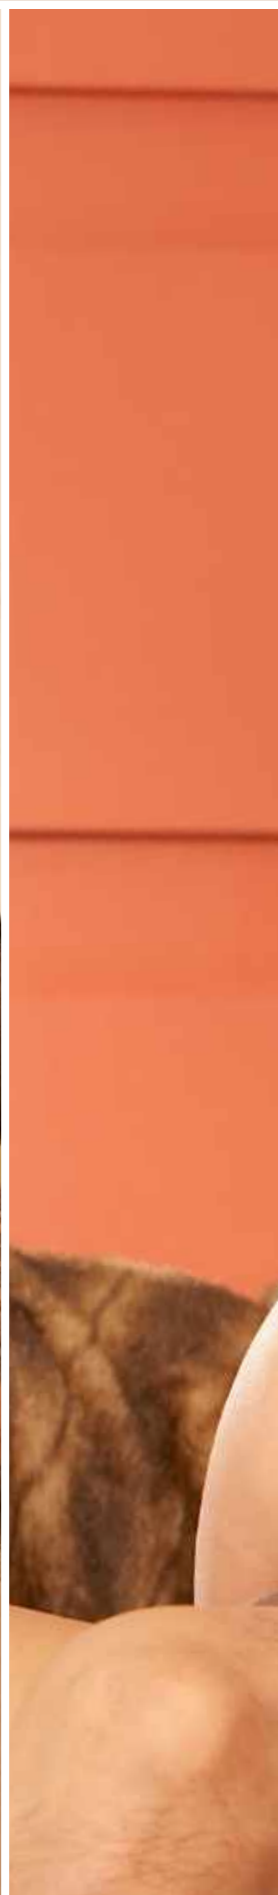

Ally's delightfully playful body is such sweet eye candy, you might just get a sugar crash. Her every curve demands your eyes for a moment. Her natural boobs asking to be licked and sucked. Her ass comes with a spot for a spank mark. There's beauty in every sensual sexy inch.

DO YOU PREFER BLONDES OR BRUNETTES?

the Fun Run

The other participants had formed small groups, little cliquish social circles, which reminded me of high school.

Huffing and puffing, my legs long-since turned to rubber, I struggled mightily to reach the finish line. My lungs felt like they were going to explode. Sweat poured down my face. Fun run, the event was called – some comedian’s idea of a sick joke as I had never experienced such utter misery in my entire life.

The other participants had pulled away long ago, leaving me in their wake. Being in last place, I had the paved path all to myself. Today’s three-mile trek, an out-and-back route, wound its way through a park adjacent to the local running store, making it the ideal spot for store-sponsored group runs.

I had toed the line with a bounce in my step and a smile on my face, eager to put my fitness to the test. Now I was on the verge of collapse, afraid that I might puke all over my brand new running shoes. Bringing up the rear, shuffling along at a laughable pace, I felt like a total loser. My performance had been an embarrassment.

Still, my grimace turned to a grin when I finally crossed the line in the store’s parking lot. The other run-

ners clapped and hollered words of encouragement.

Struggling to catch my breath, I sat on the sidewalk and chugged countless cups of water. A local pizzeria was on hand, serving up deep dish slices and plenty of ice cold draught beer. Maybe later, I thought. At the moment my only concern was replenishing the fluids I had lost during the hellish journey.

I sat there, beads of perspiration rolling down my body, taking it all in. The other participants had formed small groups, little cliquish social circles, which reminded me of high school. These folks were regulars on the scene, no doubt.

As for me, well, this was my very first fun run.

And probably my last . . .

The physical pain had been absolute torture. Once was enough. Then there was the mental aspect, the crushing reality of being the slowest runner out of the whole lot. My self esteem was in tatters.

Occasional jogs around the block had failed to prepare me for today’s challenge. My fitness regiment needed a serious overhaul. Or per-

haps I should just quit, say to hell with staying in shape, and join the legions of fat couch potatoes. Such a course would certainly be easier.

“You look like you could use a drink.”

She caught me off guard. Resplendent in a hot pink top and matching shorts, a tall blonde stood there proffering a plastic cup filled to the brim with beer.

“Is it that obvious?” I asked.

“Well . . .”

“Don’t answer that.”

I accepted the beer and took a hefty pull. It was cold and smooth and delicious. She sat beside me on the sidewalk and introduced herself. Her name was Gina.

“Thanks for the beer, Gina. I’m Clint.”

Gina said she was just getting back into running after a lengthy layoff. She took a pull of beer, eyeing me over the rim of her cup. She had spectacular brown eyes. And a damned hot body. Her workout attire left little to the imagination.

“A layoff, huh? You certainly don’t look like it.”

“Thank you.” Gina blushed at

the compliment. "I've been going to the gym; mostly strength training and yoga. Very little running. How about you?"

"I try to jog around my apartment complex a few times a week. That's about it. I thought I was in decent shape. Until today . . ."

"Same here."

"At least you didn't come in last place."

"You finished, Clint. That's the important thing."

"I guess."

The post-run festivities wound down at dusk. It was an after work event and people needed to get home. Tomorrow was a weekday; back to the grind for most of us. I could've sat there all night drinking beer and talking to Gina. She made me feel a lot better about the situation. Coming in last wasn't the end of the world. My running would improve; if I amped up my training. Gina offered to help.

"It's easier to stay motivated," she explained, "when you have a running partner."

"Makes sense," I muttered.

"So, what do you think?"

It was a no brainer. Only a fool would've rejected her proposition.

"Sounds like a great idea, partner."

Gina and I started running three days a week. We would meet after work, usually at the running store due to its close proximity to the park's paved path.

It was slow going at first, literally. Gina was accustomed to running at a faster pace. I struggled to keep up. She offered to slow down, but I wouldn't hear of it. After a few weeks I was able to stay with her, stride for stride, in relative comfort.

She had been right.

Running with a partner changed everything.

The lack of motivation that had thwarted my efforts in the past was

long gone. I looked forward to my runs with Gina, embracing each and every one. I could feel myself getting stronger, faster. Workouts which would've killed me a few weeks ago had become fairly easy. I was in the best shape of my life.

We had just finished a speedy five-mile run on a hilly route near Gina's apartment when she told me about the upcoming event—another three-mile fun run sponsored by the running store. The same route as before, she added.

I responded to this news with much enthusiasm. I had a score to settle with that particular course. It had kicked my ass once before. Never again, I vowed. The guy who had come in last place no longer existed. Thanks to Gina.

I couldn't wait to hit the pavement.

The big day arrived, making for an excruciatingly long shift at work. I went about my humdrum tasks in a state of coiled readiness, chomping at the bit to lace up my shoes and take off like a gazelle.

I texted Gina during my lunch break, telling her how excited I was, how eager to get on with the run. She replied immediately.

And gave me the shock of my life!

Gina had sequestered herself inside a restroom stall for the salacious selfie, leaving zero doubt regarding her status as a natural blonde. She sat there atop the toilet lid, tits out, legs spread, panties wrapped around one ankle, fingers spreading her pussy for my viewing pleasure.

The accompanying text message asked me to leave work early and come to her apartment for a pre-run warm up. She didn't have to ask me twice.

I fed my boss some bullshit about a migraine and got the hell out of there.

Driving to her place, blowing through stop signs right and left, I could hardly believe my good fortune. Of course I had considered the prospect of taking our relationship to another level. For whatever reason, this hadn't happened. Gina and I had seemed content to keep things on a strictly platonic level, enjoying our workouts, increasing our fitness levels, and leaving it at that.

Clearly Gina was ready to explore something else.

And I was too.

Still, a part of me questioned the timing. Was it really wise for us to have sex just a few hours before the fun run? Wouldn't it be best to rest

I actually choked on my water when I opened the attached file.

The pic left even less to the imagination than her skimpy running attire!

and conserve energy? Perhaps the better option, I reasoned, would be to fuck after the run, saving sex as our reward for a job well done.

I resolved to share this with Gina,

confident that she would agree to postpone the naughty fun for later that night.

"Sex is a natural relaxant," Gina explained. "And you definitely want

"Nice, Gina, so nice. God, that feels good."

"Lean back," she said, "and enjoy."

Gina sucked my balls while stroking me with one hand, sliding her

"Fuck me, Clint. Stick your cock in my dirty little hole."

"My pleasure, Gina."

I had never uttered truer words. I thought of all the training runs, all the times we had pounded the pavement, mile after mile. Gina had done so much for me. Had it not been for her I would've surely quit running. She had come into my life when I was ready to throw in the towel, turning my life around, whipping me into shape.

Making her come was the least I could do.

Cock in hand, I moved between her legs and lowered my hips. I teased her pussy with my engorged cap, dipping it into her slit, then pulling it out, repeating this several times before skewering her in earnest. I rammed

it home, plunging with a single thrust. Her tight canal clenched my dick with moist heat. I thrust eagerly, fucking her with frenzied strokes, feeding her every inch of my manhood.

Gina's tits bounced as I hammered away. She lowered a hand and diddled her clit with practiced precision, adding another dimension to her pleasure as I drilled into her hot center, faster and faster, moving closer and closer . . .

Gina came just seconds before I pulled out and finished on her tits, glazing her nipples with pearly cream. We recovered on the sofa, saying little, if anything.

But I knew we were both thinking about the run.

Gina was right again.

We both ran great. Of course I didn't win. Nor did I beat Gina. But I didn't come in last place.

That dubious distinction was held by a cute blonde. Gina approached her after the run, bought her a beer, and asked her if she'd like to start training with a group. The blonde seemed a bit hesitant, but I think she'll come around.

Three is a crowd, they say.

I say three sounds like a whole lotta fun!

to be relaxed at the starting line."

I had actually beaten her to the apartment by a few minutes. Now, sitting on the sofa beside her, I thought about her response. She definitely had a point. Muscle tightness was bad news for a runner, leading to poor performances and even injury. Last thing I wanted was a pulled hamstring.

"So," Gina purred, sliding closer, "what do you say?"

My cock was already hard as a brickbat. Gina's dirty selfie flashed through my mind, making me hornier by the second. She placed her hand on my crotch.

And that was it.

Any thoughts of delaying sex until after the fun run were obliterated by her tantalizing touch. She rubbed me through my trousers.

"Nice and hard for me," Gina muttered.

Then she unbuttoned/unzipped my trousers. I helped her along by raising my ass from the sofa, allowing her to tug my boxers and pants free of my legs. She knelt before me and planted a loving kiss on my cock. Then she commenced with her tongue, skimming my shaft with its velvety softness, basting it, balls to flared cap.

palm up and down my turgid rod. She nibbled on my nuts hungrily, tugging me with increasing speed, faster and faster, so fast that I feared I would blow my wad prematurely.

But Gina was far too skilled to allow such a thing.

She brought me to the brink, then eased up, allowing me to stay in the game. After all, we had only just begun. There was plenty left to do.

I took over, trading places with Gina. She took my spot, unbuttoned her blouse, hiked up her skit, and allowed me to peel her panties. I left the lacy garment wrapped around her ankle to replicate the selfie. She fingered her pussy, opening it to grant me an up close and personal gander. An auburn landing strip provided a path for my tongue as I went down on her and licked her crevice.

Gina mewled and moaned, responding to my ministrations by thrusting her pussy in my face. I ate her greedily, eliciting peals of pleasure which filled her small apartment, giving her neighbors quite an earful. Continuing to lap her pussy, I proceeded to rub her clit, strumming it with my fingers, pushing her dangerously close to the cliff's edge before easing back to prolong the fun.
